✓ **24 x 7 Virtual Receptionist directs calls, provides helpful information.**

When you are meeting with teachers, parents, and students or it's after business hours, Ooma's virtual receptionist greets callers and provides information that answers common questions. Callers can easily be routed to the right department or staff member in multiple locations. Easily customize menu options such as: Press 1 to report an absence, Press 2 for the directory, Press 3 for the administration front desk. The system is flexible to fit your needs.

✓ **Never miss a business call when in or out of your office.**

Tutors and other educational specialists frequently travel between school offices, students' homes, and their own offices. With Ooma's mobile app, you can receive or return calls on your smart phone using your business number without using your personal number. If you need to leave your office while continuing a conversation, Ooma's call flip feature instantly switches the active call from your desktop phone to your smart phone without missing a beat.

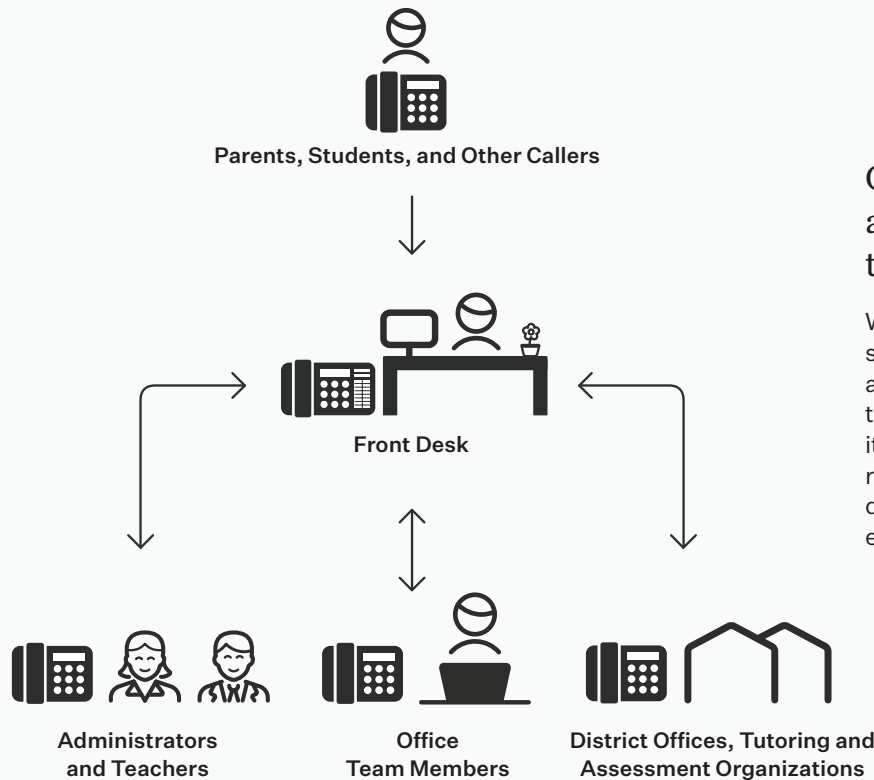

✓ **Free toll-free and local numbers**

Eliminate long distance charges on calls between locations. Free fax numbers enable you to fax multiple documents simultaneously.

“ I was formally with AT&T. I am so glad I made the switch to Ooma. It offers me a better user experience for my business and I cut my bill by over 80%! I am so happy I made the change! ”

– Krystian M.

Ooma enables school administrators, teachers, and tutors to serve students better.

When parents call to schedule a tutoring session, a teacher conference, or to report an absence, it takes just seconds to park or transfer a call to the right staff members. If it's after hours, Ooma's virtual receptionist routes the call to the right team member or department. Voicemails are sent to emails for easy pick up and one-click call back.

With Ooma Office, you get all the features that are perfect for meeting the daily balancing act in the educational field. You get clear, flexible, reliable communications that save money at one or multiple offices.
